Missionary DVDs

Missionary DVDs are a fantastic resource for encouraging and educating churches, small groups, and individuals. Most of these DVDs contain four to six short modules (usually between 2-4 minutes long) that introduce the missionaries and different aspects of their ministries.

These DVDs are free resources (or may be borrowed and returned) but we would appreciate a \$3 donation to cover production and mailing costs. We ask that you not make copies of the DVDs.

You can email gld@cms.org.au or call the office on 3112 6530 to borrow a DVD.
