CMS Principles

Since its beginning, over 200 years ago, CMS has followed five principles. They are:

1. Follow God's leading.
2. Put money in second place, not first.
3. Begin in a small way.
4. Under God, all will depend on the type of people sent out.
5. Look for success only from the Spirit of God.

CMS Object

The object of CMS is to work for the coming of God's Kingdom through the proclamation of the gospel of Christ throughout the world in fellowship with local churches.

CMS Vision

Proclaiming the gospel, serving God's people around the world, to see lives transformed by Christ.
