## 1 Samuel 2:1–10

*Reflecting on the God of Reversals*

### Discussion Questions

- In what ways does Hannah’s song challenge the pride and self-confidence of the Australian culture (or your cultural heritage)?
- How do you find your own heart and mind being challenged by vv. 3-8?
- How can you more fully depend upon the Lord rather than your own strength?
- What implications does Hannah’s song have for how we seek to live for Jesus and make him known?
- Are there ways in which you doubt that the Lord can use you in your weakness? How does Hannah’s song help you challenge those doubts (see also Romans 8.28-39)?
- If you were to take Hannah’s words in vv. 9-10 seriously, how would that change the way you live and stand up for Jesus?
