SERVING GOD IN JAPAN

Hello

We live in Tokyo, Japan, the biggest and busiest city in the world. Japan has lots of vending machines and in Tokyo there is one every 12 metres. You can buy anything from hamburgers to clothes! Not many people in Japan know Jesus. Many church pastors are old and ready to retire with no one to replace them. We're working with university students and our local church, reading the Bible and praying with people and sharing the good news about Jesus.
