SERVING GOD IN JAPAN

Hello

We live in Tokyo, which is the most populated city in the world! Tokyo is the capital of Japan, a country that has more than 5 million vending machines—that's more than the number of people living in Melbourne! We're working with a group called Hi-b.a. which helps high school students learn more and share more about Jesus. We're also making friends with Japanese families so that they might also know Jesus.

ALL YEAR PRAYER

Thank God for the faithful church pastors in Japan, many of whom are old and have been caring for God's people for a long time.

Ask God to help Christian kids and teenagers in Japan keep loving Jesus, even when they are the only Christian in their school.
