SERVING GOD IN VANUATU

Hello

Our country is actually made up of 96 different little islands, with lots of water in between. Almost every island has its own language, so they invented a new language, 'Bislama,' to speak to each other! 'Halo' is how we say 'hello' in Bislama. We talk with university students about Jesus, and help them learn to read the Bible. We also teach church ministers how to read and teach the Bible.

ALL YEAR PRAYER

Thank God that many students are excited to learn more about Jesus through the Bible.

Ask God to bring lots of students to our group so they can learn about Jesus.
