SERVING GOD IN THE MIDDLE EAST

Hello

We live in a busy city in the Middle East. Most people who live here are away from their home country and family. Sometimes they only stay a few years before they go home. We work at a really big church where we teach people the Bible. Church is a great way of helping people find friends and feel settled when home is so far away. We hope that when people go home, they will take the good news about Jesus back with them.
