SERVING GOD IN THE MIDDLE EAST

Hello

Our city has very tall buildings, very big shopping centres and lots of other large, impressive things. But the biggest thing is that God is at work here, building his church. We are a part of a large church of people from all over the world. We help people learn more about Jesus from the Bible, so when they return to their home country, they can tell people there about him.

ALL YEAR PRAYER

Thank God that people from all around the world are hearing about Jesus and growing in Jesus.

Ask God that those who leave here for their home country will tell their families, towns and cities about Jesus.
