SERVING GOD IN EAST ASIA

Hello

We live on the 13th floor of a 30-storey apartment block which is one of eight in our complex. Our city has over one million people but is considered small for our country – so there are a LOT of people where we live! We are all making friends and taking opportunities to share about Jesus. T also works at helping keep kids with disabilities in their families and helping those who are now in orphanages. D is involved in staff training and supporting the central office.

ALL YEAR PRAYER

Thank God that many kids at the orphanage have put their faith in Jesus.

Ask God that more families who have children with disabilities would come to trust Jesus and rely on him for the strength and determination they need to help their children thrive.
