

Gordon & Ruth

SERVING GOD IN SOUTH ASIA

Hello

We live in a city close to snow-capped mountains, but most of the time they are covered by clouds. Only rich people drive cars; most people can't even afford a bicycle. Ruth is a doctor and cares for people who are very sick, and Gordon helps people build new hospitals which will help to serve sick people. We also meet with local people and encourage them to trust in Jesus and find hope for the future.
