SERVING GOD IN SOUTH EAST ASIA

Hello

I live in a South East Asian city that has two types of weather: hot and dry, or hot and wet! I serve at a local church by supporting, training and mentoring pastors. I am also helping to translate Christian books into the local language. I continue to learn the language and culture as I build relationships with people in my neighbourhood.

ALL YEAR PRAYER

Thank God for the people who support me on location by their encouraging messages, giving and praying.

Ask God that the translation work I am involved in would help people understand the gospel in their heart language.
