

TIMOR-LESTE

Timor-Leste is a very small country just 650km north of Australia. CMS missionaries in Timor-Leste are training leaders to teach others about Jesus, and helping translate books into the local language, Tetun. They recently translated the Big Picture Story Bible, which is helping whole families learn more about Jesus!

ACTIVITY

Many animals live in Timor-Leste. Find all of the animals hiding in this jungle scene then colour it in.

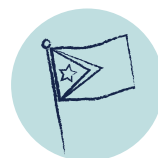

- ☐ Cuscus ☐ Fruit bat ☐ Timor sparrow ☐ Timor monitor
☐ Island pit viper ☐ Timor river frog ☐ Tokay gecko ☐ Saltwater crocodile

Did you know?

As well as Tetun, the other official language in Timor-Leste is Portuguese.

Fun fact:

Timor-Leste is a new nation.
It gained independence in 2002.

Timor-Leste is surrounded by beautiful blue waters and coral reefs. Are you able to piece together this coral puzzle and make out the Bible passage from **Romans 5:1**?

Whenever you
see some **coral**,
pray for
Timor-Leste!
